WELCOME

Thank you for your interest in joining the FBB Fam as a shooter/ editor! Football Beyond Borders is a youth education charity who are on a mission to change the lives of young people. We support young people from disadvantaged backgrounds who are passionate about football but disengaged at school to help them finish with the skills and grades to make a successful transition into adulthood. In doing so, we hope to be part of a movement that changes the face of modern British society.

We are a young, dynamic and ambitious organisation who are looking for someone who can represent our young people effectively through compelling storytelling.
